Modifications of the 2017 National Federation Soccer Rules

Rule 1-6- - The Field of Play

Section 6: The NJSIAA is requiring perimeter fencing or roping twenty-five (25) feet from the official side and endlines for VARSITY games. The obvious intent is to separate unauthorized people from teams, coaches, and official scorers. Where field configuration may prohibit full adherence (twenty-five (25) feet) or use of public parks or elementary school fields make fencing unmanageable, large rubber cones or other temporary markings are acceptable provided the spectator separation is accomplished. Adult supervision may be needed in these cases.

If officials feel these conditions are not fulfilled, they are to play the game, but report the infraction to the administration of the home team and the NJSIAA Central Office

Rule 4-2-8 - Player Equipment

A protective face mask may be worn by a player with a facial injury. The mask may be made of hard material, but must be molded to the face with no protrusions. A medical release for the Player signed by a physician (MD/DO) shall be available at the game site. Procedure - All masks must be inspected and approved by the NJSIAA. A NJSIAA note of approval must also be present along with said physician's note. The Danmar Warrior facemask model 1200 without earflaps is an approved NFHS/NJSIAA substitute mask that may worn during interscholastic competition.(Photo Attached)

**Rule 6:2:3 – Timer**

**If there is a designated paid or unpaid clock operator the stadium clock will be the official and will be run down to :00. The on field officials will hold the official time at all times and may ask the clock operator to correct the stadium clock during a stoppage during the game. If there is no designated clock operator the stadium clock is not to be used for time; it may be used to keep score only.**

Rule 7. - Duration of Game, Length of Periods

Section 1      Length of Periods

Article 1:      The duration of Varsity games shall be two (2) equal halves of forty (40) minutes each. Junior Varsity (JV) and freshmen may play forty (40) minute halves upon adoption by individual conferences.

Article 3:      During the regular season, if less than one half (1/2) of a game has been played, the game will be rescheduled from the start.

**State Tournament games suspended because of conditions which make it impossible to continue play, should be played to completion from the point of interruption. If the losing team at the point of interruption, does not want to return to complete the game, the game will be considered to be complete.**

Section 3      Tie Games - All Varsity games tied at the end of regulation time, **MUST** use the following procedure:

Article 1:      Up to two (2) "sudden victory" overtime periods of ten (10) minutes each will be played. The first team to score shall be declared the winner. If the score is still even, at the completion of the 2<sup>nd</sup> overtime period, the game shall be recorded as a tie. In State Tournament games, if the score remains tied after the completion of the overtime periods, kicks from the penalty mark will be taken to

determine the winner. In the State Finals only, if the tie remains after the completion of the second overtime, a co-championship will be declared.

Teams that do not play overtime, other than for reasons of the elements or conditions, will both forfeit the game.

No contest shall exceed 100 minutes of playing time.

**\*\*\* In League, Conference, or County Tournament games that require a team to advance, the game shall be recorded as a tie, if the score remains tied after the completion of the overtime periods.**

Rule 12. - Fouls and Misconduct

Section 8      Misconduct

Article 2

- a. Subsections a through g – the NJSIAA emphasizes that a player, coach, or bench personnel guilty of violent conduct (verbal or physical), taunting, serious foul play, spitting, using insulting, offensive, or abusive language or gesture, leaving the team area to participate in a fight or altercation is committing a disqualifying offense. The first such offense will result in a red card disqualification and a two (2) game disqualification. A previous caution need not have been issued to the perpetrator. For each player sent off, the team must play short one person for the rest of the game. The official issuing the send-off shall display a red card in one hand.
- b. Subsection c – a player sent off for receiving a second yellow card shall be disqualified from the game but will not have to suffer the additional two game disqualification. For each player sent off, the team must play short one person for the rest of the game. The official issuing the second yellow card shall display the yellow card in one hand and then the red card in the same hand.
- c. Subsection d 2 and 3 – a player who commits serious foul play by either intentionally handling the ball to prevent it from entering the goal or by committing a deliberate tactical foul in a non-flagrant manner against an opponent who is moving toward his/her offensive goal with an obvious opportunity to score and the goal is not scored shall be disqualified from the game but will not have to suffer the additional two game disqualification. For each player sent off, the team must play short one person for the rest of the game. Should the foul that denies the obvious goal scoring opportunity be violent, the player will receive the additional two game suspension. The official issuing the send off shall display a red card in one hand.

The NJSIAA Concussion Policy is aligned with the New Jersey State Law as it applies to suspected concussed athletes.
