**Note:**

Overtime: "Sudden Victory" First goal scored = game is over  
 If score is tied at the end of both OT periods, the game is ruled to be a tie.

NOTE: If there is a designated paid or unpaid clock operator the stadium clock will be the official and will be run down to :00. The on field officials will hold the official time at all times and may ask the clock operator to correct the stadium clock during a stoppage during the game. If there is no designated clock operator the stadium clock is not to be used for time; it may be used to keep score only
